LOW DOSE CT SCAN

Neck, Chest, Abdomen, Pelvis and Angiogram:

Please fast (no food) for 4 hours before your scan. You may drink water to stay hydrated.

Other CT Scans:

No specific preparation needed unless instructed by the clinic.

ULTRASOUND

Abdomen, Aorta and Renal Artery Doppler:

Please do not eat, drink, smoke, or chew anything for 6 hours before your appointment. Small sips of water for medication are okay.

Pelvis, Renal and Obstetrics (under 12 weeks):

Drink 1 litre of water 1 hour before your appointment. A full bladder is needed for these scans, please DO NOT empty your bladder before your scan.

Other Ultrasound Examinations:

No specific preparation needed unless instructed by the clinic.

DIGITAL X-RAY

No preparation required.

Our radiologist may briefly speak with you during your scan if they believe it will help with your diagnosis. They will also discuss any potential need for further imaging with your referring doctor.

ARE YOU IN PAIN?

Ask your doctor about radiological assisted pain relief – we can help you!
